

Cooperation proposal

Private Asset Partners AG (PAPs) is a licensed financial services provider, specializing in independent private wealth management, with the office in Baar (Kanton Zug), Switzerland. The company is regulated and supervised by the Swiss Financial Market Authority (FINMA).

A broad spectrum of provided services, which allows answering main questions around managing client's wealth, combined with an exclusive individual approach to all clients needs distinguish PAPs as an independent external wealth services provider. In delivering wealth management services the company partners with numerous banks in Europe and Singapore.

The range of expertise includes a full-range of family office services, external asset management and private banking, establishing companies or legal structures, advising in tax services, development of tailor-made financing solutions, including for companies, fiduciary services, accepting domestic or international directorial and trustee mandates etc.

To offer our services to a wider public in Russia and FSU countries we are looking for intermediaries, who can help to attract potential clients. We are offering interesting cooperation agreements. Please contact us on julia.ovanessian@paps.ch or call on 0041 41 768 11 96.
